Rural Electrification Programme in Orissa

89. SHRI GAYA CHAND BHUYAN : Will the Minister of ENERGY be pleased to state whether Government are aware of the facts that Orissa has not achieved the desired targets in Rural Electrification Programme during the Sixth Five-Year Plan period; if so, what steps are taken or proposed to be taken to achieve the goal in this regard ?

THE MINISTER OF STATE IN THE DEPARTMENT OF POWER (SHRI ARIF MOHD. KHAN) : While the target of village electrification was nearly achieved, there has been shortfall in the energisation of pumpsets/ tubewells in the State of Orissa during Sixth Five-Year Plan period.

The performance of rural electrification in the State is expected to improve during the Seventh Plan period with enhanced outlays earmarked for the purpose. Review meetings will be held with State authorities from time to time to monitor the progress closely.

Survey of Coastal area of Orissa

90. SHRI GAYA CHAND BHUYAN : Will the Minister of PETROLEUM AND NATURAL GAS be pleased to state :

(a) whether any provision has been made regarding Survey of the Coastal area of Orissa to explore the possibilities of Oil deposits during the Seventh Five-Year Plan; and

(b) what are the results of the present Survey in the Mahanadi basin of Orissa, how long, it will be continued and the details thereof?

THE MINISTER OF STATE OF THE MINISTRY OF PETROLEUM AND NATURAL GAS (SHRI NAWAL KISHORE SHARMA) : (a) and (b) Intensive surveys have been carried out in the coastal areas of Orissa covering parts of the districts of Puri, Cuttack and Balasore during 1978—83. These surveys include about 6000 lines Kms. of aero-magnetic data, 3800 line Kms. of reflection seismic data
